

Academic & Sports Excellence

January 2, 2018

Dear Newbridge Families,

I hope you had a wonderful Christmas break!

I would like to take this time to notify you of an important date regarding re-enrolment. Student seats for the 2018-2019 academic year will be held until February 1, 2018. This year we have seen an overwhelming number of new student inquiries so it is important to communicate to all of you prior to the release of our new enrolment packages for the 2018-2019 academic year.

With the re-enrolment date on the horizon, we have decided to allow returning families the benefit of paying the same 2017-2018 tuition fees for the 2018-2019 academic year. **Families must submit the \$1,000 non-refundable deposit by February 1, 2018.** We will not make classroom seats available to new families until February 2, 2018. Additionally, we will continue to utilize Apple Financial Services for our bursary program for the 2018-2019 academic year. Student that received bursaries in 2017-2018 will need to renew through Apple Financial Service.

We are pleased to announce a new initiative this year. Newbridge Academy will be offering tuition insurance for all families for the 2018-2019 academic year. This program is utilized by many other private schools and our student enrolment this year has allowed us to qualify for this service.

Returning families submitting re-enrolment documents after February 2, 2018 will be subject to the nominal increase in tuition fees released with the 2018-2019 admissions book.

Last year, we introduced the Newbridge Academy Advancement Fund (NAAF). All students at Newbridge Academy incurred this fee as it was necessary to transition into our new building. **We committed to evaluating the fee every year and we are happy to announce this years NAAF will be reduced from \$1,500 to \$1,250.** This fee reduction emphasizes our strong enrolment progress and the new student interest we are seeing for the upcoming year.

Our next Open House is January 16th between 4:30PM-6:30PM. This is for prospective and current Newbridge Families. We will have admissions, administration, headmaster, coaches and teachers there to answer any questions.

If you have any questions please don't hesitate to contact me. Happy Holidays and we look forward to seeing you in the New Year!

Sincerely,

Trevor MacEachern
