

MIGHTY HOCKEY

Hockey programming for children
ages 4 - 11 years old
previous experience not required

Skill Development:

Skating, Shooting, Passing

TUESDAYS

5:30pm - 6:30pm

- Mighty Hockey is a program designed for boys and girls that want to start playing hockey and build their hockey skills. (previous experience not required).
- Sessions are delivered by experienced, professional instructors from Newbridge Academy. Focus will be on developing individual hockey skills (shooting, passing, skating techniques, and teamwork).
- Players will be split up and grouped according to skill level and age, ensuring all skaters are challenged appropriately.
